

END USER LICENSE AGREEMENT

1. **Applicability.** This end user license agreement (the "Agreement") governs the use of accompanying software, unless it is subject to a separate agreement between you and Cassia Networks, Inc ("CASSIA"). By downloading, copying, or using the software you agree to this Agreement.
2. **Authorization.** If you agree to this Agreement on behalf of another person or entity, you warrant you have authority to do so.
3. **Consumer Rights.** If you obtained software as a consumer, nothing in this Agreement affects your statutory rights.
4. **Electronic Delivery.** CASSIA may elect to deliver software and related software product or license information by electronic transmission or download.
5. **License Grant.** If you abide by this Agreement, CASSIA grants you a non-exclusive non-transferable license to use one copy of the version or release of the accompanying software for your internal purposes only, and is subject to any specific software licensing information that is in the software product.

Your use is subject to the following restrictions:

- You may not use software to provide services to third parties.
 - You may not make copies and distribute, resell or sublicense software to third parties.
 - You may not download and use patches, enhancements, bug fixes, or similar updates unless you have a license to the underlying software. However, such license doesn't automatically give you a right to receive such updates and CASSIA reserves the right to make such updates only available to customers with support contracts.
 - You may not copy software or make it available on a public or external distributed network.
 - You may not allow access on an intranet unless it is restricted to authorized users.
 - You may make one copy of the software for archival purposes or when it is an essential step in authorized use.
 - You may not modify, reverse engineer, disassemble, decrypt, decompile or make derivative works of software. If you have a mandatory right to do so under statute, you must inform CASSIA in writing about such modifications.
6. **Ownership.** No transfer of ownership of any intellectual property will occur under this Agreement.
 7. **Copyright Notices.**

8. **Limitation of Liability.** CASSIA's liability to you under this Agreement is limited to the amount actually paid by you to CASSIA for the relevant software, except for amounts in Section 12 ("Intellectual Property Rights Infringement"). Neither you nor CASSIA will be liable for lost revenues or profits, downtime costs, loss or damage to data or indirect, special or consequential costs or damages. This provision does not limit either party's liability for: unauthorized use of intellectual property, death or bodily injury caused by their negligence; acts of fraud; willful repudiation of the Agreement; or any liability that may not be excluded or limited by applicable law.

9. **Termination.** This Agreement is effective until terminated or in the case of a limited-term license, upon expiration; however, your rights under this Agreement terminate if you fail to comply with it. Immediately upon termination or expiration, you will destroy the software and documentation and any copies, or return them to CASSIA. You may keep one copy of software and documentation for archival purposes. We may ask you to certify in writing you have complied with this section. Warranty disclaimers, the limitation of liability, this section on termination, and Section 15 ("General") will survive termination.

10. **General.**
 - **Assignment.** You may not assign this Agreement without prior written consent of CASSIA, payment of transfer fees and compliance with CASSIA's software license transfer policies. Authorized assignments will terminate your license to the software and you must deliver software and documentation and copies thereof to the assignee. The assignee will agree in writing to this Agreement. You may only transfer firmware if you transfer associated hardware.
 - **Global Trade Compliance.** You agree to comply with the trade-related laws and regulations of the U.S. and other national governments. If you export, import or otherwise transfer products provided under this Agreement, you will be responsible for obtaining any required export or import authorizations. You confirm that you are not located in a country that is subject to trade control sanctions and further agree that you will not retransfer the products to any such country. CASSIA may suspend its performance under this Agreement to the extent required by laws applicable to either party.

11. **Audit.** CASSIA may audit you for compliance with the software license terms. Upon reasonable notice, CASSIA may conduct an audit during normal business hours (with the auditor's costs being at CASSIA's expense). If an audit reveals underpayments then you will pay to CASSIA such underpayments. If underpayments discovered exceed five (5) percent, you will reimburse CASSIA for the auditor costs.

12. Force Majeure. Neither party will be liable for performance delays nor for non-performance due to causes beyond its reasonable control, except for payment obligations.

13. Entire Agreement. This Agreement represents our entire understanding with respect to its subject matter and supersedes any previous communication or agreements that may exist. Modifications to the Agreement will be made only through a written amendment signed by both parties. If CASSIA doesn't exercise its rights under this Agreement, such delay is not a waiver of its rights.
